SPECIFIC CONDITIONS

English translation for information

Disclaimer

The present translation is not binding and is provided by Fosmax LNG exclusively for information purposes. Fosmax LNG disclaims any warranty of any kind as to the accuracy and completeness of the present translation, the document in French being the sole and unique reference for the execution of the Contract and that would in any case prevail over any translated version. Fosmax LNG reserves the right to update the translation at any time as deemed necessary by Fosmax LNG to improve and/or adjust the quality and/or content of the translation submitted and available on Fosmax LNG's website. The Shipper is free to use the translated document at its own risk and under its own responsibility, and remains liable to check the latest version available on the website for this purpose. In addition to the translation proposed by Fosmax LNG, the Shipper may use at its own risk and costs, other translated documentation if deemed necessary by the Shipper with the understanding that in any event a translation would not be taken into consideration if a discrepancy were to arise between the translation and the French version.
