

Registration Form

Fos Cavaou LNG Terminal – Capacity auction: March and April 2024

Fosmax LNG is marketing additional access capacities at the Fos Cavaou LNG terminal:

- 1 070 GWh on 28th March 2024;
- 970 GWh on 22nd April 2024.

These capacities are proposed according to an ascending auction mechanism that will take place on the PRISMA platform, the subscription windows being scheduled on:

- 01st February 2024 for the Window of Arrival on 28th March ;
- 08th February 2024 for the Window of Arrival on 22nd April .

To be valid, this Registration Form must be received, duly completed and signed, by 10 am at the latest on the day before the subscription window, at the following address:

Foscavaou-Development@fosmax-lng.com

This Registration Form can apply for one or several of the above subscription windows, or, at his choice, the requester can send one Registration Form per subscription window:

	TICK THE BOX to indicate which auction(s) you wish to participate in:
Subscription window 1 = 01 st February 2024	<input type="checkbox"/>
Subscription window 2 = 08 th February 2024	<input type="checkbox"/>

The registration will then be valid for all the subscription windows chosen above, occurring after the acceptance of the present Registration Form.

Fosmax LNG will only allow participation in the auction organized on the PRISMA platform to companies fulfilling all of the prerequisites listed below and participants authorized to make subscription requests as mentioned below.

 (Head office address)

registered at the: under
 registration
 number

- acknowledge having read the contract for access to the LNG terminal including its appendices, available on the Fosmax LNG's website, and declares to accept and comply with its provisions;
- certify that it already complies with the prerequisites of the said contract, and in particular has an authorization to supply Natural Gas in France and a Transmission Contract with GRTgaz (*except for the financial guarantee which must be provided later, in accordance with Article 3 of the Appendix 2 "General Terms and Conditions" of the access contract to Fos Cavaou*);
- undertake to comply with the rules of the commercial procedure and the auction mechanism published on the Fosmax LNG's website (www.fosmax-lng.com);
- acknowledge that it is its responsibility to obtain transmission capacities at the PITTM from GRTgaz, it being recalled that the allocation of these capacities is automatic, in accordance with the rules for Third Party Access to the Transmission Network ("ATRT").
